10% discount on orders for 250 or more bulbs of one variety.

AUTUMN FLOWERING VARIETIES

(shipments July 15th to October 1st)

			size circumference	PRICE
			Spain centimeters	per 100
asturicus	Oct-Nov			
	From the Astura Mountains. Very showy, dark violet.		5-up	\$ 5.00
laevigatus Fontenayi	Nov-Dec	Greece		
	Very rare specie of soft ageratum violet, feathered buff.		4-up	3.00 per 10
medius	Oct-Nov	S.France & Italy		
	Handsome, long lasting, rich violet with orange-red stigma.		6-up	5.40
ochroleucus	November	Asia Minor		
	Medium sized, light cream with soft yellow throat.		5½-up	3.00
	Prolific specie of easy culture.		5-5½	2.40
pulchellus	Oct-Dec	Greece, Asia Minor		
	From the heathy thickets along the Bosphorus come these elfin goblets of delicate blue with golden throats.		4½-up	1.25 per 10
sativus (Saffron Crocus)	November	Asia Minor		
	Large lilac, heavily veined or feathered deep violet.			
	Prominent orange-red stigmata hang well cut flower lip.		7-up	2.60
speciosus	October	S.E.Europe & Asia		
	Blue-lilac, purple veining. Bright yellow throat, orange red anthers. Good size on rather tall corolla tubes.		6-up	2.20
			5½-6	1.80
speciosus Aitchisoni	Late Oct.			
	Large, light blue-lilac. Silvery outside.		5½-up	2.80
speciosus albus	Sept-Oct			
	Large, erect, snow-white; showy in contrast with blues.		5½-up	3.00
speciosus Artibir	October			
	A dark feathered, pale blue. Large and prolific.		5½-up	2.80
speciosus Cassiope	October			
	Very choice, large flowers of pure analine blue.		5½-up	2.80
speciosus globosus	Oct-Nov			
	Large, deep porcelain blue of closed goblet form. Late.		5½-up	2.60
speciosus pollux	October			
	Clear, light, violet-blue; exterior flushed silvery.		5½-up	2.80
zonatus	Sep-Oct	Cilicia		
	Free flowering, soft rose-lilac lightly veined. One of the most satisfactory for the garden and easily grown indoors.		8-up	2.20
			7-8	1.80
			6-7	1.40

Approximate shipping weight, 2 pounds per 100; 12 pounds per 1,000.
